Dear Eliot:

Attention: Mr. John Sarnoff

On 23 February 1951 we requested a clearance in old Sensitivity #1 for Miklos LAZAR who was then being considered for employment as an Editor-Writer on the Hungarian Desk of the Fund's radio operation in New York. He was subsequently employed in such capacity, and clearance was issued on 17 July 1951 (W-1291).

Mr. Lazar's employment was terminated on 15 February 1952 due to a reorganization on the Hungarian Desk. Since his termination he has been employed on an occasional freelance basis as a Scriptwriter for the Hungarian Desk. It is now contemplated re-employing him as an Assistant Editor on the Hungarian Desk in Munich. Will you please, therefore, cause whatever steps are necessary to be taken so that a new clearance in Sensitivity 2 may be issued covering this new employment.

Sincerely,

Frank C. Kilday
